

C O A S T E R

Through the years Coaster managed to earn the reputation of a solid Norwegian brand whose boats are known for values such as: family approach, ergonomics and safety. Today, the company is using all that experience to deliver perfectly designed and built boats that surprise with clever and useful solutions.

All Coaster boats are hand build by a carefully selected crew of specialists in a shipyard located in Chojnice, Poland. The yard uses high-end technology like RTM or Vacuum infusion and only top quality materials are used in the process.

Each model leaving the yard is being carefully inspected, so that even the most demanding customers are satisfied and proud of their boats.

COASTER 600 open

The Coaster 600 open is the perfect family day boat. The best in the category for storage capacities, the only open boat with a fitted cabin / changing room with optional toilet, single berth for occasional overnighting but also offering more storage volume than any other in its class. She has the largest carrying capacity (CE category C for 8 passengers) and best access from water to cockpit with open bow rails and walk-through transom. She has the highest freeboard and deepest cockpit (800mm from cockpit sole to gunnels) providing safety and comfort for the guests, especially for children.

Forward area provides some extra options: transform it into a big sunbed to enjoy the sun during the day or add a table to make it a perfect place for evening dinner with your friends.

She has the ability to cater for a diverse range of uses - A competent sports fisher, cruiser and water sports boat all rolled in to one. The New Coaster 600 open benefits from Scandinavian styling and impeccable construction qualities.

COASTER 600 DC

Encompassing all the features and refinements of a much bigger boat, the new Coaster 600DC offers one of the best value for money on the market. The spacious deck includes plenty of seating space with teak picnic table that converts to a sunbed, comfortable cabin (sleeps two adults). Options include chemical WC, marine BBQ, 12v drinks chiller / refrigerator, teak decking, bimini top or a full tent, bow sun deck cushions, fresh water shower, etc. Coaster 600DC can be easily trailed and sailed single handed. Featuring high sides in a deep, wide self draining cockpit the boat provides safety and comfort for her guests. She's a comfortable coastal cruiser that's perfect for family days out, comfortable over-nighting, water-sports and fishing adventures or simply relaxing at anchor.

COASTER 600 BR

The deep high sided cockpit sets this bow-rider apart from the competition. The new Coaster 600 Bow Rider features an extremely sociable and flexible seating arrangement with crescent seating aft including convertible picnic and sun-lounging area. Both, the cockpit area and bow area can be easily transformed into sunbeds, giving you this extra space to enjoy every sunny day. Large storage locker and water ski locker will help with all your luggage, bow seating offers comfortable cushions and backrests. Small co-pilot console cabin can be used for overnight sleep or as extra storage unit. The fully adjustable helm'sman's seat with bolster cushion makes for comfortable driving position and flip-flop bench seat gives you extra seating options. You can choose from variety of extra equipment: built-in cooler, bimini tent or full cabin tent, water-ski tow, rodholders plus much more. Coaster 600 Bow Rider benefits from Scandinavian styling and impeccable construction qualities.

COASTER 720 GT

Coaster 720 Gran Turismo is a whole new concept of boat design. In the cabin you will find 4 comfortable berths, separate toilet room, big table and a cambouse with all amenities needed. In other words, her interior offers the same space and comfort as similar length HT models. Her biggest advantage uncovers after opening the roof. It's the only "Cabrio Boat" on the market! During sunny days we can open almost whole inside cabin without leaving any construction elements above your head. No other boat offer this type of freedom.
