

LARGE POWER  
100HP TO 200HP

# F200Q

(MECHANICAL)

Power & Performance	Convenience
2.8L in-line 4 16v / DOHC	50 Amp high output alternator
Plasma-fused sleeveless cylinders	External tilt switch
Variable camshaft timing	SDS compatible
Long intake manifold	Vibration reduction mounting system
	Variable trolling RPM
	Keyless Y-COP compatible
Reliability & Durability	Control & Steering
Electronic single throttle valve	Integrated hydraulic hoses for sleek design even on Mechanical
YDC-30 & sacrificial anodes	
Water separator	
Anodic exhaust coating	
Electro-deposited powerhead paint process	
Bolted flywheel	
SALES ARGUMENTS & USPS	THINGS TO CONSIDER

LARGE POWER  
100HP TO 200HP

F200P

(DBW)

Power & Performance	Convenience
2.8L in-line 4 16v / DOHC	50 Amp high output alternator
Plasma-fused sleeveless cylinders	External tilt switch
Variable camshaft timing	SDS compatible
Long intake manifold	Vibration reduction mounting system
Available in counter-rotation	Variable trolling RPM
	Keyless Y-COP compatible
Reliability & Durability	Control & Steering
Electronic single throttle valve	DBW
YDC-30 & sacrificial anodes	Integrated hydraulic steering for sleek design even on DBW/Mech
Water separator	Compatible with Helm Master EX A/P Level 1
Anodic exhaust coating	
Electro-deposited powerhead paint process	
Bolted flywheel	
Magnetic drain plug

LARGE POWER  
100HP TO 200HP

# F200N

(SBW)

Power & Performance	Convenience
2.8L in-line 4 16v / DOHC	Optional prop light (HM EX)
Plasma-fused sleeveless cylinders	50 Amp high output alternator
Long intake manifold	TotalTilt
Available in counter-rotation	SDS compatible
	Vibration reduction mounting System
Reliability & Durability	Variable trolling RPM
Electronic single throttle valve	Keyless Y-COP compatible
YDC-30 & sacrificial anodes	Control & Steering
Water separator	SBW
Anodic exhaust coating	Integrated electro-hydraulic steering
Electro-deposited powerhead paint process	Compatible with Helm Master EX A/P Level 4
Bolted flywheel
