

## MID POWER 30HP TO 90HP

# F80/ F100

### Power & Performance

1.8L in-line 4 16v / SOHC  
Multi-Point fuel injection  
4 independent fuel injectors  
Long track induction system  
Single throttle valve  
Labyrinth exhaust

### Reliability & Durability

Single cogged timing belt with auto tensioner  
Water separator  
Water draining air intake duct  
YDC-30 & sacrificial anodes  
Magnetic drain plug  
Alumite exhaust anodization  
Electro-deposited paint process

### Convenience

35 Amp high output alternator  
Power trim & tilt  
External tilt switch  
SDS compatible  
Variable trolling RPM  
Keyless Y-COP compatible

### Control & Steering

Mechanical steering

### SALES ARGUMENTS & USPS

- ☒ 16 valves
- ☒ Highest displacement
- ☒ Competitive weight
- ☒ High-output alternator
- ☒ Versatile on any kind of boats
- ☒ Best in-class for corrosion protection
- ☒ Available in white (F100)
- ☒ Wide range of propellers
- ☒ Torque and quietness
- ☒ Fuel efficient
- ☒ Made in Japan

### THINGS TO CONSIDER

- ☐ No DOHC
